Hello Mr. Bensen,

I am pleased to report that the WCGC Board of Directors **unanimously** approved the subject Special Use Permit (FS-2700-4 VER. 03/17) at last night's Board of Director's meeting (Oct 10, 2017).

I will bring the signed copy of the SUP by your office later today.

Thank you, District Ranger Smith and all your staff for your continued perseverance in this project.

Sincerely,

Larry Nowlin
